

MAPLE-SHIELD ALGORITHM

Performance Audit - January 2026

Executive Summary

Benchmark Asset: 2026 Canadian Gold Maple Leaf (.9999 Pure)

Current Spot Gold: \$4,988.56 (USD)

Market Commentary:

The portfolio is currently hedged for the \$5,000 resistance level. High-conviction buy signals are active as geopolitical demand offsets US Dollar strength. Automated News Shielding remains active for the Jan 30th NFP release.
